Commercial Fowl Hunting Preserve Trip– Resident/Non-Resident

Section 9-11-417

Hunting licenses required of preserve patrons; seven-day license; operators as agent vendors of licenses.

(a) Alabama hunting licenses shall be required of all persons hunting on licensed hunting preserves. Alabama residents shall be licensed under the regularly established game laws. Each non-resident hunting on a licensed preserve shall be required to possess a regular non-resident annual hunting license or a non-resident trip hunting license.

(b) In lieu of a regular hunting license as provided in subsection (a), either a resident or a non-resident may purchase a seven-day commercial fowl hunting preserve license that allows that person the privilege of hunting only artificially propagated or pen-raised fowl as designated by the Commissioner of Conservation and Natural Resources as legal to hunt on a licensed commercial fowl hunting preserve. The cost of a seven-day commercial fowl hunting preserve license shall be \$8.00, plus a \$2.00 issuance fee. The license shall be valid for seven consecutive days from the date of issuance.

(c) To better serve the public and in order that the state will not lose revenue from the loss of sale of licenses to out-of-state visitors arriving on weekends, each hunting preserve operator licensed pursuant to this article shall be an agent vendor of all non-resident and resident hunting licenses with any issuance fees collected therefor to be remitted to the judge of probate of the county in which the preserve is located.
